

## About Literacy Chippewa Valley

### ***Imagine not being able to:***

- read the instructions on a prescription bottle;
- read a recipe in a cookbook;
- read to your child; or
- complete a job application form.

One in 10 adults in the Chippewa Valley lives with low literacy skills. Literacy Chippewa Valley is a community-based literacy organization that combats this statistic. We offer adults the opportunity to gain the skills they need to make a better life for themselves and their families. We do this by taking the time to understand the unique needs of each learner and tailoring our services specifically to them. Using real-world applications to teach our students, we help them better retain their skills, empowering them to achieve their personal goals.

Nearly 98% of our adult learners are living in poverty. By improving their literacy skills, students strive to break from the cycle of poverty. They are looking for a hand up, not a hand out. Our *free* services not only help the learners and their families, they enrich the entire Chippewa Valley community. For us to continue to provide these services we need to raise money with fundraising events such as ScrabbleBee.

## How it Works...

### ScrabbleBee puts a twist on Scrabble®

It's a team "competition" for groups of up to 6 people working with a Scrabble® game board and a bag of 100 tiles. Pizza, soda, popcorn and a cash bar add to the fun!

There are two divisions: Hare and Tortoise.

- **Hare Division** is our version of speed Scrabble®. Played in 3 timed rounds, team members build words on the board simultaneously as fast as possible. The fun challenge begins when tiles are removed and the time decreases.
  - ◆ Round 1= 20 minutes
  - ◆ Round 2=15 minutes—20 tiles are removed
  - ◆ Round 3=10 minutes—10 tiles are removed

**There are opportunities to buy removed tiles in Rounds 2 & 3. Tiles cost \$5/tile or \$150 for all of them. Buying back tiles will help both your team and Literacy Chippewa Valley!**

- **Tortoise Division:** For those teams that prefer to play Scrabble® the traditional untimed way.
